

Soil Tunnel Trailer User Agreement

The Soil Tunnel Trailer (STT) is the property of the Miami County Conservation District. It is available for all 105 Kansas conservation districts to use on a first come/first serve basis.

To book the STT for your event date(s) contact Kaitlin Knauss at 913-294-3751 Ext. 3 or kaitlin@miamicountycd.com

The Miami County Conservation District agrees to allow limited use of its Soil Tunnel Trailer to the _____ **County Conservation District** if the following terms are agreed upon:

1. The Miami County Conservation District must be contacted at least one (1) week prior to the date of use to allow the District adequate time to check for scheduling conflicts and to prepare the STT for use.
2. The _____ **County CD** will be held responsible for replacing, at their expense, any broken or lost items while the STT is in their possession.
3. The _____ **County CD** will ensure the return of the STT on the date indicated on this agreement unless given a verbal extension by Miami County Conservation District’s District Manager.
4. The STT will be returned in good, clean, condition and with all of the parts, (i.e. plants, jacks, blocks, etc.). A completed Inspection checklist must be returned with the trailer.
5. In order to partially offset insurance premiums, routine maintenance and uncovered damages, the fee for use of the STT by Conservation Districts will be \$150 per day of use as shown below.
